RON RECIPROCO

Front Web Developer / Graphic Designer

ABOUT ME

As a passionate Graphic Designer and Front Web Developer, I merge creativity and technical expertise to craft captivating design solutions. With a diverse creative background, I offer a versatile skill set. My journey has honed my mastery of design tools. I specialize in crafting visually engaging imagery, user-centric websites, and interactive media content. My experience extends to eye-catching packaging and compelling video narratives. Thriving in collaborative environments, I bring innovative ideas to life.

EDUCATION

BACHELOR IN INFORMATION TECHNOLOGY

INFORMATICS INTERNATIONAL.

2011 - 2015

EXPERIENCE

LEMON JELLY & PIKOLINOS

FREELANCE WEB DEVELOPER / GRAPHIC DESIGNER

2021 - 2023

Working as a Front Web Developer, I managed to maintain the website using Shopify, working on seasonal updates and re-designing sections.

2018 - 2021

D2C DESIGNS

GRAPHIC DESIGNER

I molded my career as a Professional Graphic Designer in this company. I've been tasked with Web Designs, Logos, Pitch Decks, Branding Guides, and Multi-media contents.

2013 - 2018

WARP-PORTAL HOSTING SERVICES

SERVER DEVELOPER / GRAPHIC DESIGNER

Build my own website to offer services to clients which include Web-hosting, VPS server, Private Cloud, VPN server, DDOS-protected server and Graphic Designs services.

2010 - 2013

GOMANILA HOSTING • SERVER DEVELOPER

I started working for this company to provide services to clients. I've been tasked with server maintenance, installation of web hosting and c-panel, and configuring pre-compiled games or web software to be up online.
